

# ROLL YOUR OWN SPHERICON PIE

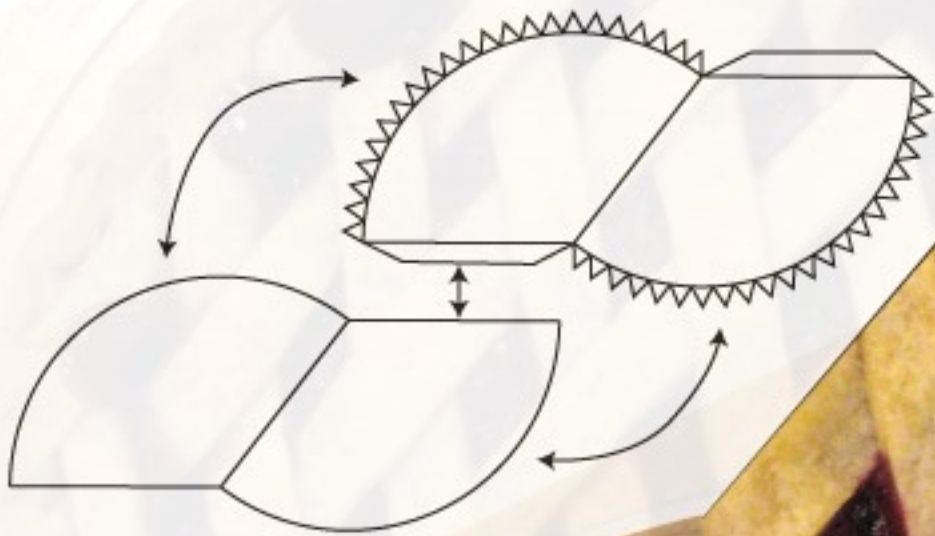

one of the  
big tabs

the other  
big tab

## DIRECTIONS:

1. cut out figure along outside lines.
2. glue one of the big tabs to one of the straight edges creating an s-shaped pie.
3. glue the curved edges together, a few triangular tabs at a time.
3. glue the other big tab to the other straight edge.
4. you're ready to roll.

one of the  
straight edges

the other  
straight edge
